1. On 22 April 1955, the ration strength of the 2d Mtz Rifle Regt stationed in Prenzlau including divisional units also stationed there amounted to 2,000 officers, NCOs and soldiers. The decrease of 400 men compared to the preceding month, resulted from dicharges.

25X1

- 2. The discharges, which were to take place between 5 and 20 May, were executed between 12 and 15 April on account of a government decree. A total of 1,834 NCOs and soldiers of the division weincluding 550 NCOs and men from the Prenzlau post were discharged. A total of 2,250 recruits were expected to arrive. Prior to 22 April, the 2d Mtz Rifle Regt received 150 recruits.1
- Between 12 and 22 April, the 2d Mtz Rifle Regt discontinued normal training because of discharges and arrival of recruits. Individual infantry units fired at the post firing ranges in the Kleine Heide. Artillery units of the division fired at Jaegerbrueck at the same time. The MFrcl Bn stationed in the building on Alsenstrasse conducted two 24@hour field exercises. I and 2
- In lete March, some 60 flates
- 4. In late March, some 60 officers of the division allegedly had to report at the headquarters of Heeresgruppe Nord in Pasewalk where staff officers of the Soviet Army asked without to volunteer for a several-year stay at an officers candidate school in the USSR. Approximately 10 percent of the officers agreed.
- 5. On 21 May, the units mentioned had the following ration strength:
